Study Strategies

Because study alone cannot replace the hands-on experience required to successfully address certification questions, the following study guidelines are offered as a way to help you prepare for the exam:

- Use “Exam Descriptions and Topics” to review the outline of topics covered on the exam. Mark any topics that seem unfamiliar. Keep in mind that you may be required to answer questions on features that your company does not currently use.
- Take the practice test questions located in Appendix F. Note the section number of any questions answered incorrectly. Mark the corresponding section on the “Exam Topics and Descriptions.”
- Review the suggested study resources associated with the items marked on the “ADP Certified Human Resources Specialist in ADP Workforce Now Study Sheet” in Appendix E.
- Consider taking the certification preparation course described in Appendix A of this handbook.

Tips for Taking the Exam

Candidates should keep the following tips in mind when taking the exam:

- Answer all questions.
- Eliminate answers that are obviously incorrect.
- Skip questions that you are unsure of and come back to them.
- Do not expect trick questions—there are none, and there is always one correct answer.
- Do not overanalyze the questions.
- Be aware of the 1 hour and 15 minute time limit.
Checking In

It is recommended that candidates report to the test center no later than 15 minutes prior to their scheduled appointment time to allow time for check-in procedures. Candidates who arrive 15 minutes past their scheduled exam appointment will not be admitted and will forfeit all registration fees.

Identification

When checking in at the Pearson VUE test center, candidates are required to provide two forms of identification: a primary ID and a secondary ID. Both IDs must be valid (not expired) and must exactly match the name used to register for the exam. Examples of primary and secondary IDs follow. Call your local Pearson VUE test center if you have any questions about IDs.

Primary ID (includes photo and signature):

- Government-issued driver’s license
- State ID
- Military ID
- Passport

Secondary ID (includes signature):

- U.S. Social Security card
- Employee ID or work badge
- Bank automatic teller machine (ATM) card
- School ID
- Alien registration (green card)
- Credit card
- Other government-issued ID
- Any form of ID on the primary list

Candidates who do not have the proper ID will not be admitted to the test center and will forfeit their testing fee.

Upon checking in, candidates will be asked to provide a digital signature for identification purposes.

Computer Experience

Candidates do not need extensive computer experience to take the computer-based exam. Before beginning the exam, instructions will display on the screen explaining how to navigate through the test.

Test Center Environment

Pearson VUE test centers provide computerized testing for many organizations. Other tests may be administered in the test center at the same time as the ADP exam.

Test center administrators try to maintain a comfortable temperature in the testing rooms. In spite of these efforts, the room may be too cool or too warm for an individual’s preference. For your comfort, it is recommended that you dress in layers.
Notes and Calculators

Test center administrators will provide an erasable note board and marker, which may be replaced as needed during testing; the note board may not be removed from the testing room at any time. Candidates are not allowed to take scratch paper or pencils into the testing room.

A calculator will be provided on the computer, or candidates may request a handheld calculator from a test center administrator. Personal calculators are not permitted.

Requesting Assistance

Candidates who need assistance for any reason should raise their hand to notify a test center administrator.

Note: Test center administrators are not trained to answer specific questions related to ADP exam programs.

Test Center Rules

Maintaining a standardized testing environment ensures that the exam results of all candidates are earned under comparable conditions and represents fair and accurate measurement. All candidates must adhere to the following regulations:

- No reference materials may be brought into the testing room.
- No papers, pamphlets, books, tablets, food, or purses are allowed in the testing room. Do not take large bags, textbooks, notebooks, and so on to the test center. Candidates are required to leave personal belongings in secure storage, but space is limited, so candidates should plan accordingly. Test centers assume no responsibility for candidates’ personal belongings.
- No unauthorized testing aids are permitted in the testing room. This includes, but is not limited to, calculators, pens, rulers, highlighter pens, MP3 players or radios with headphones, watches, dictionaries, translators, or electronic devices.
- Cellphones are not allowed in the test center. Candidates may not leave the room in which the exam is being administered to make telephone calls.
- Eating, drinking, and smoking are not allowed in the testing room.
- Waiting areas at the test centers are small. Friends, relatives, or children who accompany candidates to the test center will not be permitted to wait in the test center or to contact anyone in the exam room.
- Candidates who need to leave the testing room for personal reasons must first obtain permission from a test center administrator. No additional time is allowed to make up for time lost due for leaving the room. Checking notes or textbooks or meeting with other individuals is considered misconduct.

Nondisclosure Agreement

At the beginning of the testing session, a nondisclosure agreement will be displayed on the computer screen. Candidates must accept the terms of the agreement to proceed with the exam. By accepting these terms, candidates agree to not disclose exam questions in any form or to remove materials from the test center. See Appendix C to review the nondisclosure agreement.
Exit Survey
Candidates will be asked to complete a brief survey at the conclusion of the exam to evaluate their testing experience. Candidates should feel free to forward additional comments to ADP within five business days of taking the exam to the following address:

ADP
c/o Professional Certification Program
Enterprise Learning
2599 Lucien Way, Westwoods Building
Maitland, FL 32751
USA

Security Measures
Numerous security measures are enforced during test administration to ensure the integrity of the exam. Be aware that candidates will be observed at all times while taking the exam. This includes direct observation by test center administrators, as well as video and audio recording of the testing session.

Candidate Misconduct
Any irregular behavior during the exam will constitute grounds for expulsion from the exam and for ADP to take appropriate action. Examples of misconduct include, but are not limited to the following:

- Failing to provide acceptable identification
- Giving or receiving unauthorized help
- Attempting to take the exam for someone else
- Using notes, books, or other unauthorized aids
- Bringing materials to the test center that may compromise the exam administration
- Eating or drinking during the exam
- Attempting to remove test questions from the room
- Failing to follow the test center administrator’s instructions or any instructions presented by the computer
- Using scratch paper; a dry-erase note board is permissible
- Tampering with the operation of the computer or attempting to use it for any function other than taking the exam
- Creating a disturbance of any kind

When a testing administrator reports a case of misconduct to ADP, ADP reviews the evidence and the impact of the conduct on the obtained score. If it is decided that a score has been obtained unfairly, ADP has the right to cancel the candidate’s test score.

In this and other reported cases of misconduct, ADP, at its sole discretion, will decide whether a candidate may retake the exam, whether fees will be refunded, or whether alternative action will be taken.
Denial of Certification

Certification will be denied or revoked for any of the following reasons:

- Misrepresenting or falsifying application information
- Violating testing procedures
- Failing to pass the exam

**Note:** Appeals can be made to the Certification Board for certification denials or revocations. If you would like to submit an appeal, please send a letter stating your case to the following address:

Score Information
Candidates will receive a score report at the end of the exam. The score report will indicate whether the candidate received a Pass or Fail grade.

The passing score for the ADP Certified Human Resources Specialist in ADP Workforce Now exam was established by a committee of experts. The score was then converted to a scaled score, allowing for comparison between test forms. The scale for the exam ranges from 200 to 500, with the minimum passing score set at 400. Scaled scores are reported to ensure that the overall score represents the same level of knowledge from one form of the exam to another.

Candidates who achieve an overall scaled score of 400 or higher will have the word “Pass” printed on their score reports. Candidates who score below the 400 will have the word “Fail” printed on their score reports along with their scaled overall score.

Diagnostic scores indicating performance in each major content area are included at the bottom of the score report. These scores allow candidates to evaluate their own performance within major content areas and help those who failed the exam prepare for a retake.

To maintain the integrity of the exam, questions and answers will not be made available for review. Neither Pearson VUE nor ADP will provide a list of the questions answered incorrectly or correctly. The only information available regarding a candidate’s performance is provided on the score report.

Exam Reliability and Validity
The reliability and validity of the exam have been confirmed through statistical analyses of beta exam scores. This process ensures that any ambiguity in individual test questions has been eliminated and that the questions do indeed address Human Resources concepts appropriate for candidates sitting for the exam.

Attainment of Certification
Candidates who pass the ADP Certified Human Resources Specialist in ADP Workforce Now exam will receive a certificate and be entitled to use the letters ADP-CHRS (ADP Certified Human Resources Specialist) after their name. Please allow six to eight weeks for delivery of the certificate.

Use of Certification
The ADP Professional Certification Program is voluntary, and certification is conferred by ADP solely for the purposes stated in this handbook. The ADP Professional Certification Program was neither designed for nor intended to be used as a tool for selecting, promoting, or classifying your employees.
